

## **ADMINISTRATIVE POLICY 15**

### **General Assembly Overture Advocates**

The organization that originally presented the overture for consideration may recommend to presbytery council an overture advocate to attend General Assembly. If such a person cannot be secured or is unable to go to General Assembly, the presbytery council may appoint an advocate who is favorable to the overture. Such advocates may be:

- (a) presbytery staff persons
- (b) a member of presbytery who will be attending anyway
- (c) one of the current GA commissioners from Heartland Presbytery

The council may decide whether an overture needs an Overture Advocate .

Heartland Presbytery will cover reasonable expenses (travel, food and lodging), as recommended by COAL and approved by presbytery council, for Heartland Presbytery overture advocates attending General Assembly meetings.
