## What is “Exploring Missional Leadership”?

Exploring missional leadership helps answer these questions:

- How can you know if God’s given you the gifts needed to start a new worshiping community?
- How can we all identify and encourage potential new worshiping community leaders?
- If God is calling us to start a new worshiping community, how can we best prepare?

## Who Is EML For?

- New worshiping community leadership teams.
- Individuals who are in the early stages of discerning a potential call to start a NWC, but aren’t yet ready to attend a full DML Assessment.
- Mid-Council Staff and Leaders, including members of NWC Commissions, CPMs, and COMs.
