

Administrative Commission  
For  
Southridge Presbyterian Church

Report to Heartland Presbytery  
February 13, 2018

The commission continues to meet with the Session of Southridge Presbyterian Church. We currently are in the middle of discerning the future of the congregation. This study will be completed with a decision being made on February 24, 2018.

Based on the above decision the commission will work with the Session and members to make that decision a reality.

Please keep Southridge and the Administrative Commission in your prayers as we together discern the mission and ministry in Roeland Park.
