

# Church Resource Center Subscriptions for 2018

The Church Resource Center has curriculum samples, books, and DVDs for you to use in your Christian education ministry. Visit during office hours; also the director is available to come to your site to meet with your session, committee, class, or other group. Curating online resources is an emerging part of the resource center's job.

One subscription covers use by all Christian education groups in your congregation through December 20, 2018.

The Acting Associate Executive Presbytery is available to consult with your session, teachers, adult classes, CE committee, etc. This can occur in the resource center or at your site.

We serve as a local clearing house for ideas for Christian education, conducting internet research regarding best practices is a frequent occurrence. We are in touch with churches in other parts of the nation and can point you to the expertise and experiences of others.
