

Report of the Administrative Commission for the Korean United Presbyterian Church of Kansas
To Heartland Presbytery
August 15, 2018

At a meeting of the AC at the site of KUPCK on June 27, 2018 the AC ratified by common consent the following recommendation of the Leadership Team, to which the AC had already given preliminary approval electronically:

that the two non-ordained staff persons at KUPCK be awarded severance based on the longevity of their employment; Ray Kim, \$1,000 and Jackie Kim \$400.

Checks in these amounts were subsequently drafted and delivered to said parties by the treasurer of KUPCK prior to her turning all accounts over to Heartland Presbytery financial office in care of Brian Hathhorn.

The AC also made several decisions regarding the disposition of small items of property in the church building; acted to secure the facility; remove identifying exterior signage; discontinue various services and implement a schedule of occasional checks on the building.

In addition, in response to the Presbytery Moderator's request, the AC composed a list of names of possible persons to nominate as members of the new AC.

Heidi Peterson, clerk
Administrative Commission for KUPCK
