The Mission and Social Justice Division of Heartland Presbytery, partnering with the Mainstream Coalition of Kansas, cordially invite you to these four events designed to train Voter2Voter Ambassadors. As an Ambassador, you will find ten people who are less likely to make it to the polls in November. You'll then be equipped to equip them with the information and support they need to register, find their polling place, get informed, and cast a ballot. Whether you are left,

right, or somewhere in between, we can all agree that we need more civic participation in our society. Let's join together to make it happen through Voter2Voter!
